 PREACHING THE GOSPEL IN UGANDA

August 2020

Job 15:35 (KJV) *They conceive mischief, and bring forth vanity, and their belly prepareth deceit.*

We are so grateful for the aid of your prayers; please continue to approach the Throne of Grace on our behalf boldly. This essential aspect of your ministry is invaluable. Considering the Lord's love for us, what substance we have, what hope we have in light of the vanity that surrounds us, regardless, I am confident we will see the Son of God coming in great glory on that day appointed. He was wounded in the house of his friends, but that hasn't stopped His preparing a place for us in that heavenly abode. He promised He would take us unto Himself! Until then, the Lord remains a fountain overflowing for thirsty souls. What a thought to cling to in such times of mischief. This well of living water remains open to us, all who thirst may at anytime come and drink.

Our country has developed a grievous blemish, that of defection from the truth. How comfortable they have become in accomplishing the deeds of their father, he was a murderer and a liar from the beginning. The silly children of this world have only its present evil for an inheritance, they sorrow as them who have no hope. They struggle for power and status here because they have no hope beyond this mortal coil. The same is not true for us who are in Christ Jesus. As Kristin and I navigate this state of limbo, we see light at the end of the tunnel. Yet, light or no light, the Lord has taught us to be as content as a fox with no hole. Regardless, much pressure is bearing down upon the President of Uganda. Many sectors of the country are in desperate need for use of this airport, if those industries are to survive. Articles are beginning to surface with photos of Ugandans diligently cleaning the airport in preparation for a possible soon reopening. To be clear, the President has not set a date as of yet, but all indications are that might happen soon. It seems the Lord can use even the love of money to accomplish His good pleasure. Of course, the proposed entry requirements are stringent and frustrating to consider, but we so desire to know a timeframe in which we can make that one-way flight to Uganda. With this being the case, our prospects for January look good, not definitive, but good. We will try and coordinate our flights with the Stensaas family who are in the States on furlough.

In light of this, we are calling upon those of you firmly acquainted with prayer to lift this matter before the Throne of Grace. Furthermore, baby Irvin will be here in one month or less. Please continue to pray for a safe and healthy delivery. Thus far, both the baby and wonderful mother are doing well. I would also like to bring to your attention a wonderful opportunity. My pastor (James W. Knox) produced an extensive series of videos regarding the topic of the Lord's Second Coming. You may be aware that the doctrine of the Lord's Second Coming is under heavy attack from many directions. This series will provide a great opportunity to gain an in depth understanding of the Lord's return.

The Lord is good, and His people have been abundantly faithful. We cannot thank you enough for your love and concern for our ministry.
